## Room or Package Preference

Do refer to the Product Range and website before making your decision. Please indicate your programme preference i.e, Refresh or Restore or kickstart etc. Please be advised that any existing health challenges require the Restore programme as therapies are included in the price.

## Payment Information

Upon acceptance not a programme a non-refundable deposit of 50% of the total cost is due to secure your reservation and the remaining balance is due **10 days before the programme commences**. See deposit payment below.

We prefer bank transfers. At Manna House we can received card payments but prefer bank transfer due to card payment charges. If you wish to pay by cheque, please contact Manna House to discuss how this should be done. Be aware that your booking will only be confirmed once your funds have cleared our bank. Programmes are priced on a "payment-in-full" basis due 10 days *before* you arrive. We are unable to accept health guests on any programme until payment has been made in full. .

## Refunds

The deposit paid at time of booking is **non-refundable**. As an exception, refunds are given ONLY in the case of an emergency which means you cannot come due to circumstances that are out of your control such as serious injury, hospitalisation, death, or cancellation on our part. The refund will be less an administrative charge to cover bank costs and any other administrative expenses that are incurred during the registration and booking process.

If you cannot come due to reasons that are NOT an emergency, you may transfer your deposit to a future programme. Transfers are valid for up to 1 year effective from the dates they originally registered for. If you choose not to attend 10 days before a programme commences you will forfeit 50% of the deposit with only 50% remaining for a future payment towards a programme. As such an additional 50% will need to be paid to confirm your place on a future programme.

## Additional Costs

Additional Costs

Please note the product range and website or discussion with the staff for what is included in your package. The Restore packages includes therapies but does not include:

- Supplements
- Equipment e.g. enema bag, bulbs etc

Please note: Any additional costs will be explained to you. If you receive extra therapies (The Refresh Package), it is with the understanding that you will pay for them by conclusion of the programme. For the Restore Package therapies are determined by your health condition(s) based on the individual health needs assessment, consultation and daily body chemistry analysis.

## Health Education & Wellness

Please note that Manna House is a wellness centre and does not provide personal care. If you require personal care such as dressing, bathing, showering, mobility support, supervising medications, feeding etc then you should consider bringing someone with you to support your care needs. Manna House does not operate 'care home' facilities. If information regarding additional health conditions and personal care needs comes to light during your stay which may put extra pressure on our services then we would be at liberty to terminate this agreement.

## Disclaimer

A disclaimer will need to signed at the time the programme commences, on arrival. If you would like to view the disclaimer beforehand please contact Manna House.
